TECHNICAL SOLUTIONS FOR CONTROL ROOM

We are experts in the field of infrastructure development and in providing high added value solutions for 24x7 operations environments.

ACTIVE COLLABORATION

Taking the effort to implement a process of continuous improvement and meeting our customer needs, we have implemented a projects department focused on giving answers to all possible infrastructural needs.

WE DESIGN IDEAS

Our Technical Department is highly qualified and capable of developing the most innovative projects. With the use of infographic tools we can study and anticipate the final results of our projects.

AND TURN THEM INTO REALITY

We present our solutions using the most advanced infographic technology.

THANKS TO A LEADING EXPERTS TEAM

in command posts, control rooms, crisis management, and administrative environments.

FLEXIBILITY

We provide the right solution for any business area.

CUSTOMER FIRST

We strive to deliver the best possible solution for each project we work on and to incorporate the VOC (Voice of Customer) into our decision-making across the company.

FACILITIES

We dispose of a 3500 square meter facilities & warehouse to produce all the technical furniture for control rooms, test prototypes & organize the logistics properly. High-tech specific tools are used to guarantee top quality products and the best solutions.

WE CREATE HIGH ADDED VALUE

The top level of the industrial facilities ensures high-quality for all the solutions we produce, therefore guaranteeing fully personalized turnkey projects matching our client needs.

From the project design to the reality, we constantly strive to innovate in every Control Room we work on.

PROJECT IMPLEMENTATION

We coordinate all available resources, all follow-up procedures as well as the constant monitoring of the project.

The image features a dark blue background with several decorative elements. In the top right, there are three concentric dotted circles. To their left, a horizontal row of six dots is displayed in teal, blue, magenta, white, orange, and orange from left to right. On the left side, three large, overlapping dotted circles are partially visible. The text 'CASE STUDIES' is positioned to the right of the orange dots.
